Optional Accessories

Book Cover

Level U Pro ANC

MicroSD Card

¹ Air View Translate requires internet connection and is dependent on the list of source and output language available.

² Download and install SideSync 4.0 on your tablet and your Galaxy device at <http://www.samsung.com/us/sidesync>. Works with selected Galaxy devices only. Requires manual synchronisation and connectivity with the Galaxy devices.

³ Dependent on network, SIM card, usage and battery condition.

⁴ MicroSD card is sold separately.

⁵ Actual user-accessible internal storage is less than specified total memory due to operating system, software, and other built-in applications, and may vary after software updates/ upgrades.

⁶ Based on Samsung's internal standby time test results when device is at rest. Standby time is dependent on network configuration, app usage, mode settings, actual device usage, battery condition and other surrounding factors and conditions. For more information, see www.samsung.com/sg.

Note: Certain features, services and applications (including 4G LTE) are dependent on network connectivity and may not be available in all coverage areas. Additional data charges may apply.

SAMSUNG Galaxy Tab A⁶ with S Pen

It's Tab time. Now with S Pen.

For All Your Tablet Needs

Get inspired with the Galaxy Tab A (2016, 10.1") with S Pen. Experience realistic writing and drawing with its improved S Pen, with an enhanced display and minimalist design that puts your content first. Enjoy the best of creativity and productivity combined, only with the Galaxy Tab A (2016, 10.1") with S Pen.

Seamless Connection

Stay connected to your phone wirelessly with SideSync 4.0² for maximum convenience and connectivity. You can even make calls or send messages, check phone notifications and use the Quick Reply feature to answer messages remotely from your Galaxy Tab A (2016, 10.1") with S Pen.

The Best Note Experience

The improved S Pen supports various tools to offer an advanced writing and drawing experience, complemented by its wide screen as the perfect canvas for all your needs.

Optimised Notes

Find your notes and memos instantly with the Notes app that saves all your S Pen written notes and drawings, neatly organised for quick access. You can even annotate PDF files directly with the S Pen.

Annotate PDF files

New Air Command Features

Useful new features are just a tap away with Air Command. Know the meaning or pronunciation of a word just by hovering the S Pen over it, and turn any video into an animated GIF by selecting the area you want.

Air View Translate¹

Express Your Creativity

Harness your artistic talent with ArtCanvas, complete with brushes, palette and tools to elevate your drawings. Share your masterpieces with PEN.UP and be inspired by like-minded artists from around the world.
